ATARI 5200

A NEW ERA IN GAME HARDWARE

ATARI 5200™

ATARI® 5200™

ATARI NAME
This tells you that the 5200 is built with strict ATARI quality standards and backed by a national network of ATARI Service Centers.

HIGH TECH DESIGN
The 5200 has a sleek, streamlined appearance, enhanced by a deluxe switchbox, and built-in cord and controller storage areas.

SOPHISTICATED CIRCUITRY
The 5200 features a proprietary graphics chip and 16K of Random Access Memory–both dedicated to producing the highest quality graphics and game play available.

AUTOMATIC SWITCHBOX
For no-effort switching between TV viewing and game play.

SENSATIONAL SOFTWARE
An advanced line of 5200 cartridges featuring realistic arcade quality graphics. SUPER BREAKOUT™ game cartridge comes with the ATARI 5200.

FOUR CONTROLLER PORTS
Many 5200 game cartridges can be played by up to four players simultaneously.

PAUSE FEATURE
Freezes action on command.

PRECISION ALL-IN-ONE CONTROLLERS
A 360° analog joystick, a twelve button Keypad, a paddle controller, plus Start, Reset and Pause buttons are all on one convenient controller. Controllers are human engineered for comfort.
